

KITCHENS | WARDROBES

Profile

Incepted in the year 1997, Madonna Industries is one of the leading manufacturers and suppliers of an extensive assortment of Modular Kitchens, Sanitary ware, Wardrobes and bathing accessories.

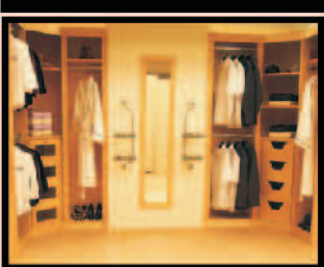

Although we have been established for 12 years, the unit was established long back in 1982. Known for the stringent quality control, we have a vast array of hydro therapy equipment to meet the demand of the customer. Some of the parameters on which our range can be customized are size, designs and taste.

Our efficient team of designers is always there to assist the clients realizing a design that efficiently utilizes the available space. Our range finds an extensive application across housing complexes, hotels and resorts.

We have a complete range of Modular kitchens to meet the requirement of every taste and budget. Whatever is your vision, Madonna Cuisine is capable of designing and developing it meeting your expectations. Our Kitchen range includes Teak Wood, Membrane, Laminates, Steam Beach wood and Paints Material to match your dreams. To have a feel of our classy kitchen designs, we invite you to visit one of our showrooms and experience the elegance yourself.

Customization has been our priority since the initiation. Being a client centric organization, we pay special emphasis on reaping client satisfaction. Quality stands high on our priority list and it is ascertained that quality is never sacrificed for the sake of monetary profits.
